

Active Learning

After School Dance: Mexican Folklorico Teacher

Compensation: \$25-\$30/hour

Benefits: Flexible Schedule

Hours: 5-20 hours per week

SUMMARY

Active Learning is looking for Teaching Artists in Dance to teach children grades TK-12th in LA and Orange County School Districts' After School Programs. Active Learning teachers are known throughout Orange County for their excellence in teaching their craft. We are seeking animated and outgoing personalities with an interest in teaching children, a skill they themselves are passionate about. While a dance background is desired, teachers will be provided with training and curriculum but are also encouraged to employ their own individuality, creativity, and expertise to make their lessons unique and engaging for students. If you are a creative individual who is passionate about Arts education and making a positive impact on students' lives, we would love to hear from you.
